SHAFIQ MAHMUD

01933930431 | shafiqmahmud35@gmail.com | 2/4 Halim Garden, Basurhat, Companiganj, Noakhali

PROFESSIONAL SUMMARY

Undergraduate researcher in Urban and Regional Planning at CUET, applying GIS, remote sensing, and machine learning to flood, landslide, drought, and storm hazard susceptibility and risk assessment. Co-author of two preprints and a conference paper, with an ongoing thesis on machine learning-based agricultural drought risk assessment and further work on uncertainty-aware modeling of coastal storm impacts. Seeking graduate study to advance uncertainty-aware, geospatial approaches to disaster-resilient planning.

EDUCATION

Bachelor of Urban and Regional Planning (BURP) 2023–Present
Chittagong University of Engineering and Technology (CUET) | CGPA: 3.35 (up to 6th Semester)
Higher Secondary Certificate (HSC), Dhaka College | GPA: 5.00 2021
Secondary School Certificate (SSC), Basurhat A.H.C Government High School | GPA: 5.00 2019

RESEARCH & PUBLICATIONS

- **Preprint (EarthArXiv, May 8, 2026):** "Enhancing the Generalization of Flood Susceptibility Models: A Leakage-Aware Ensemble Framework for Deltaic Landscapes." **Shafiq Mahmud**, Golam Murad, Md. Aftabur Rahman.
- **Preprint (EarthArXiv, Mar 26, 2026):** "Uncertainty-Aware Bayesian Machine Learning for Landslide Susceptibility Mapping in the Chattogram Metropolitan Hill System, Bangladesh." Golam Murad, Shotabdy Chowdhury Srabony, **Shafiq Mahmud**, Md. Aftabur Rahman.
- **Conference Paper (Presented):** "National-Scale Drought Mapping Using Satellite-Derived Biophysical Indices: Towards a Robust Drought Monitoring System in Bangladesh." International Conference on Civil Engineering Research & Innovations, RUET, Dec 12–14, 2025. Sajib Sarker, **Shafiq Mahmud**, Akifa Monjur, Md. Abdullah Talbi, Joy Sikder.
- **Undergraduate Thesis (Ongoing):** "Machine Learning-Based Agricultural Drought Risk Assessment in Bangladesh." Department of Urban and Regional Planning, CUET.
- **Manuscript (Ongoing):** "Uncertainty-informed bivariate decision zones for storm-impact susceptibility in the cyclone-exposed southwestern coast of Bangladesh." Anindya Baidya, Anik Chowdhury, **Shafiq Mahmud**, Md. Aftabur Rahman*, Tanvir Ahmed. (*Corresponding author)
- **Manuscript (Ongoing):** "Coastal Land Dynamics of Noakhali, Bangladesh (2000–2020): A Multi-Sensor Remote Sensing Analysis and Engineering Assessment for Economic Zone Development."
- **Investigative Report (Unpublished):** "Fragile Slopes, Damaged Roads: An Investigation into Clustered Landslides along the Rajasthali-Saichal Segment of the Border Road, Bangladesh." Golam Murad, Md. Aftabur Rahman, **Shafiq Mahmud**.

ACADEMIC PROJECTS

- **Flood Susceptibility Mapping in Noakhali Using Artificial Neural Networks** – Advanced GIS Lab (URP 366)
- **Spatio-temporal Assessment of Nighttime Light Emissions and Urban Vulnerability: A Case Study of Dhaka for the Years 2015, 2020 and 2025**– Remote Sensing and Photogrammetry Lab (URP 364)
- **Spatial-Seasonal Dynamics of Air Quality and Public Health Vulnerability in Chattogram City Corporation, Bangladesh** – Climate and Disaster Management Sessional (URP 436)

TECHNICAL SKILLS

- **Geospatial & Remote Sensing:** ArcGIS Pro, ArcMap, QGIS, ERDAS Imagine, Google Earth Engine
- **Programming & Modeling:** Python, R, JavaScript; machine learning, susceptibility modeling, uncertainty-aware methods
- **Other:** AutoCAD, SketchUp, Microsoft Office, Adobe Photoshop/Lightroom/Premiere Pro
- **Languages:** Bangla, English

HONORS & AWARDS

- **First Prize** – A Carbon Conscious Urban Design Idea Competition (UNOPS, RAJUK, MoHPW; support from BMZ), concept "The Receding Membrane"
- **Winner** – Inter-University Quiz on Spatial Planning Framework for Bangladesh, Bangladesh Institute of Planners (Nov 2024)
- **First Prize** – World Town Planning Day 2025 Photography Contest on Anticipatory Planning for Disaster Risk Reduction, CUET (Nov 2025)

PROFESSIONAL & FIELD EXPERIENCE

- **Industrial Attachment, Dhaka North City Corporation (DNCC):** Team-based study of ward-wise community facilities, compared against Private Residential Land Development Rules (PRLDR) standards.
- **Field Visit, Cox's Bazar Development Authority and Khurushkul Special Ashrayan Project:** Observed urban management works and a large-scale climate-migrant rehabilitation initiative.

LEADERSHIP & OTHER ACTIVITIES

- President, CUET Photographic Society; Vice-President, Planning Club, CUET (2026–27); Organizing Committee Member, TEDxCUET (2025)
- Photography/videography (incl. drone) for YPSA, RIMES, and Save the Children; creator of a YouTube channel on GIS & Remote Sensing tutorials
